THE
PRO-FAMILY RALLY
DELIVERING A MESSAGE TO FOCUS

Join: **MEL WHITE (*"Stranger at the Gate"*)**
MICHAEL BUSSEE (*"One Nation Under God"*)
And Other Significant Spokespersons from around the state and nation

At a Rally to demonstrate that families come in many types and varieties. The essential understanding is that

LOVE MAKES A FAMILY

Not meant as a protest or a picket, people from across Colorado are being asked to come--with their families, if possible-- and show that there many types of loving and nurturing families. Signs and, or other forms of message delivery, should keep the "non-confrontation" nature of this rally in mind.
